A FUN AFTERNOON of FOOD AND WINE**

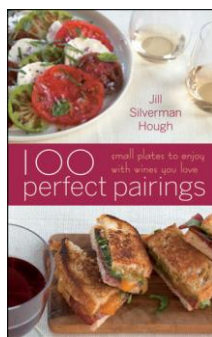

The age-old mystery of food and wine pairing revealed: featuring Forgeron Cellars, Kana Winery & Chinook Wines

FOR IMMEDIATE RELEASE — **Bellevue, WA April, 3, 2013**

Join Napa Valley media personality and nationally known cookbook author Jill Silverman Hough as she brings her [100 Perfect Pairings](#) cookbook series to event venue [Cast Iron Studios](#) in downtown Bellevue.

In a fun, informal dialog Chef Hough teaches basic food and wine pairing principles, leading guests through an interactive tasting showing how different foods and flavors affect how wine tastes.

Three fun, stress-free recipes selected from [100 Perfect Pairings-Small Plates](#) (Wiley) will be prepared by the Cast Iron Studios kitchen and perfectly paired with current releases from these featured local wineries: [Forgeron Cellars](#) represented by Co-Owner & Winemaker **Marie-Eve Gilla** (Walla Walla), [Kana Winery](#) represented by Managing Partner **Katherine Goodson** (Yakima) and [Chinook Wines](#) represented by Co-Founder and Winemaker **Kay Simon** (Prosser). No matter how much you already know—or don't—about food and wine pairing, this event is sure to be chock full of fresh and immediately-useful information. Use these straight forward, common sense concepts, also outlined in your take home cookbook, ([100 Perfect Pairings-Small Plates](#) (Wiley), for the rest of your wine drinking days.
